

We are deeply shocked to hear news of the sudden death of our highly esteemed supervisory director

P.W. Haasbroek

Mr. Haasbroek has been a member of the Supervisory Board of our company since 2008. For many years, he has very competently served the interests of our institution with his extensive knowledge and wide experience of the European real estate sector. Our real estate portfolio always had his particular attention, both during and outside the meetings of the Board. We will keep very fond memories of him and will miss him greatly.

We would like to express our sincere condolences to his family.
